

3. Housing for Exchange Students

【1】 Overview of the residence for exchange students and housing arrangement

Meiji University arranges 3 dormitories for incoming exchange students to get enrolled (in the academic year of 2015). One of them is for female students only and the others are for both female students and male students. Considering which campus each student belongs to and the characteristics of each residence, Meiji University will decide the housing assignment for each exchange student.

| Residence | Students to be assigned | School(Faculty) of students |
|---------------------------------|---|--|
| Izumi International House | Male and female students who belong to Surugadai Campus | School of Law, Commerce, Political Science and Economics, Arts and Literature, Business Administration, Information and Communication, Graduate School excluding Science and Technology, Agriculture |
| | Male students who belong to Nakano Campus | School/ Graduate School of Global Japanese Studies |
| Komae International House | Male and female students who belong to Ikuta Campus | School/ Graduate School of Science and Technology, Agriculture |
| Tokyo Female Students Dormitory | Female students who belong to Nakano Campus | School/ Graduate School of Global Japanese Studies, International Program in Architecture of the Graduate School of Science and Technology |
| | Female students who belong to Surugadai Campus | School of Law, Commerce, Political Science and Economics, Arts and Literature, Business Administration, Information and Communication, Graduate School excluding Science and Technology, Agriculture |

✂The housing arrangement listed above is subject to change depending on the status of accepting international students of each semester.

【2】 Overview of each residence

The overview of each of the three residences is as follows. Please note that the numbers and costs listed are those of 2015 academic year.

(1) Meiji University Izumi International House;

For both women and men, owned by Meiji University

Izumi International House is owned by Meiji University and was opened in March 2009. It has 61 single rooms for exchange students and 8 rooms for researchers and lecturers invited from partner universities. Izumi International House is close to Meidai-mae station of Keio Line, which gives its residents good access to Izumi, Surugadai, and Nakano campus.

- ① **Address** 2-24-14 Izumi, Suginami-ku, Tokyo 168-0063
